Re: Maryland's P&C Rates and Forms Filing Process

The Maryland Insurance Administration (MIA) conducted conference calls with industry during February, 2017 with respect to the Property & Casualty rates and forms filing process. We appreciated your feedback and we incorporated many of your suggestions for improvement. As we continue to refine our procedures, the MIA is again reaching out to the Property & Casualty insurance industry seeking feedback regarding our rates and forms filing process.

We will again be conducting conference calls to facilitate this conversation and encourage your participation. We are most interested in participation by those in your organization that have hands on primary responsibility for filings submitted in Maryland. Since our conference call line has a limit on the number of callers, we are offering the following two (2) dates: The first session will be held on **Tuesday, May 22, 2018 from 2:00-4:00 p.m., and the second session will be held on Wednesday, May 23, 2018 from 2:00-4:00 p.m.** Please forward the names and email addresses of those who will participate to Maria Fisher, Assistant to Associate Commissioner Robert Baron, at [maria.fisher@maryland.gov](mailto:maria.fisher@maryland.gov) by **close of business, Thursday, May 17, 2018.** Please indicate your first and second choice of sessions and we will try to accommodate everyone's first choice.

We encourage your advance submission of any materials or comments. Please submit these also to Maria Fisher at [maria.fisher@maryland.gov](mailto:maria.fisher@maryland.gov) by Thursday, May 17, 2018. These sessions are designed to discuss our process and procedures. Discussion of specific company filings should be addressed in a separate communication.

We will confirm your enrollment and provide you with conference call dial-in information by **Friday, May 18, 2018.** Thank you in advance for your time and consideration and we look forward to your participation and input.
